ABOUT THE INSTITUTE

Techno College of Engineering Agartala (TCEA), a unit of Techno India Group (Approved by AICTE, Govt. of India and Affiliated to Tripura University) was established in the year 2014. At present the Institute is running with 8 UG level courses and 3 Diploma Courses. Out of these courses, 3 degree courses and 3 diploma Courses are in the field of Emerging Technology. The Institute is dedicated to creating highly trained professional manpower in various disciplines of Engineering and Technology with an aim in creating individuals with high moral, commitment, dedication & loyalty to serve the society and the nation.

OBJECTIVE OF THE FDP

Attending FDPs for emboldening the existing repertoire of knowledge, thus enabling it to go hand in hand with the innovative knowledge base, ought to be incumbent on engineering faculty members and researchers. This FDP aims to vibrate with the same frequency of the National Education Policy 2020 (NEP 2020) for a better reform in existing examination system. The eminent academicians and experts in this domain will share their experiences and knowledge with the participants, which in turn is expected to promote the NEP 2020 along with the examination reforms among various academicians. This FDP will also provide the ideal platform for conducting examinations on the basis of NEP 2020.
