

Guidelines for Final Round of selection for Numerica 1.0

- ❖ The selection process for Numerica 1.0 is consists of two rounds:

Round-1: Numerica 1.0 MCQ Based Online Test

Round-02: Live online Quiz and Interaction Session

- ❖ Final Selection of the candidate will be made based on their score in both online test and live quiz round.
- ❖ **70 % percent of the weightage will be given for Round-1 and 30 % of weightage will be given for Round-02.**

Eg. If a candidate gets score 'A' in Round-01 (Online test) & score 'B' in Round-02 (Live quiz) ; his/her Standardized score will be

$$S = (A \times 70 \%) + (B \times 30 \%)$$

Steps to appear for Round-02

(Online Quiz & Interaction Session)

Date: 11/10/2020 11:00 AM

- ✓ Round-02 of Numerica 1.0 will be conducted online through our indigenously developed video conferencing platform **TIG Connect**. Candidate will be provided a link to join the live quiz session with username and password in their registered mobile number through SMS one day before the session.
- ✓ Individual candidate will have to log into the session according to their time slot.
- ✓ Shortlisted candidates will be asked questions on Physics, Chemistry, Mathematics and Biology by a panel of experts. **35 % of the total questions will be asked from Physics, 35 % of the total questions will be asked from Chemistry, 15 % of the total questions will be asked from Mathematics and 15 % of the total questions will be asked from Biology.**

N.B: Numerica 1.0 organizing committee reserves all right to disqualify any candidate at any point of time if found inappropriate or false.
